AFTER PROPHECY: IMAGINATION, INCARNATION, AND THE UNITY OF THE PROPHETIC TRADITION (STUDIES IN ARCHETYPAL PSYCHOLOGY) BY TOM CHEETHAM PDF

This book explores the status of religion in the Post-Prophetic Age, especially as seen through the eyes of the French Islamic scholar Henry Corbin. In lucid and simple prose, Cheetham explores the creative role of the imagination in the formative ground of the three great Abrahamic religions: Judaism, Christianity, and Islam. For Corbin, engaging the soul of the world through the mediating power of the Imaginal is an act of love, a theme Cheetham expands through his analysis of such concepts as mystical poverty, contemplative knowledge, the luminosity of the earth, the theophanic vision, the Christ Angel, Incarnation, the divine sensorium, alchemical transformation, the spiritual humanism of Ivan Illich, Western iconoclasm, and the centrality of gnosis. This book offers a visionary alternative to the confusions of contemporary life. It speaks to believers and non-believers alike.

A Tour De Force Ending Of Cheetham's Trilogy

By C. M. Parrent

Have eagerly awaited this work. A brilliant exposition of the relevance of Henri Corbin's worldview for our dying culture. The world is in the soul, not the soul in the world. The complete trilogy is a survey of how we have come to this impasse, and offers the beginning of a means of an escape. The texts of the three Abrahamic faiths as a theophany not a prison. To quote the young boy to St. Augustine, "Take and Read..." *The World Turned Inside Out; Green Man Earth, Earth Angel; After Prophecy* by Thomas Cheetham.

great book.

By susanresp

this book can be found for way way way less than these greedy middlemen sellers...great book....look

elsewhere. Amazon should offer it for what it is worth.....priceless and affordable. i can't believe folks think other folks will spend that sort of money on something that can easily be PDF'd, etc
