Action - Packed , but will these characters make it out alive!?!

By MANDY SAIAL

Deceptive Outlaw (Sinister Sons Syndicate Complete series) - Dawn White (4 Stars)

* Gifted a copy by Author through instafreebie for an Honest Review .

Rebecca is an ATF Agent sent on a Dangerous mission to infiltrate an outlaw biker gang dealing in weapons and human trafficking , but once she's undercover she falls hard for the President of the Sinister Son MCGavin!!

Can Rebecca keep her job and new found Feelings hidden in order to complete her mission safely or will their new found passion send them both into a battlefield neither will walk out of unscathed? ?

I enjoyed the fact that this was an MC book , but it was really about Rebecca an ATF agent falling for the president of a biker gang. It was interesting and I was very into the different missions she was going to be thrown into next.

I liked Gavin and Rebecca together , but was looking more for a rough biker and his girl kind of relationship

To me Gavin sort of came into the start of their relationship knowing she would be his old lady already and didn't even know who she was . He really didn't talk to her like a bad boy biker , he was a little out of place when he was showing his feeling or having a conversation with Rebecca.

I'm all for a man crying (Love for them to show their feelings) But Gavin Cried way to much for the leader of a Motorcycle Gang !!

This book was all about Rebecca a Strong Woman who fights to keep others safe in the line of duty no matter how many Battle Scars she comes out wearing . She does it because if she can save one person or family from the terrible loss she once had to endure , then it was all worth the pain.

I hope there will be another book about Rebecca and Gavin's Relationship , because the ending just seemed so unresolved !!

The best part of this book by far was the Scorching hot love scenes and the Gory , sometimes cringe worthy and violent kidnapping and gang war scenes.

I loved the action packed , sometimes bloodied , gory scenes within this story ..The fingernails being pulled back was on point !

I will definitely Read & Recommend books by Dawn White to my friends and cannot wait to read Sinister Outlaw which is about Gavin before he meets His Rebecca.

Unforgettable.

By Anna Salamatin

This is Agent Rebecca Quinn's first solo assignment as an ATF Agent... She is to infiltrate Sinister Sons Syndicate motorcycle club in the hopes of finding if someone in the club, or the club itself is part of a huge sex trafficking ring of under age girls that are used for prostitution and as drug mules.... Thanks to their CI, Lucas and the agreed on cover story, the getting in is the easy part.... Gavin, the MC President, (older brother to Lucas) sets his sights on Rebecca from the start.... They become close and soon he is falling for her.(just as planned) The only thing is, she is falling for him too..... I really had no idea how this was gonna play out from one chapter to the next. There is so much going on.... Is she going to lose her heart to the one she's been lying to from the start? Will Gavin understand and forgive her?... With bullets flying, turf wars, kidnapping, explosions, torture, revenge and murder.... nerves, tempers and emotions are in constant flux... Do Gavin and Rebecca stand any kind of chance? Is death just waiting in the wings to eventually claim one or both of them?

that was pretty cool. So why would I give this book ...

By Autumn Fallen Over Book Reviews

I received this book to give an honest review. Contains spoilers at the end.

Now I didn't know this had both Deceptive Outlaw and Sinister Outlaw within it. Even though it says complete set series, that was pretty cool. So why would I give this book a three rating? Well I have sat on this review all day trying to gather my thoughts up on this. Now I have read a MC book before so I am not too familiar with all the works on how the MC should go but there were some things that bothered me with this book. Now I believe the author did a great job with building the character Rebecca up, I really loved how the author transformed her from ATF to biker chick with just a flick of clothing in a way.

Rebecca is an ATF agent who is going undercover to stop a biker gang what she doesn't expect is to fall for the president of this gang. We see as a relationship happens between the two and the dangers that Rebecca finds herself in not only once but on multiple occasions. The ending has you wondering who has it out for Rebecca and will she find out who it is before she finds herself hurt again.

The way this book ended has me wanting to read the next book as I want to know the answers Rebecca wants and needs. I need to know where the relationship between herself and Gavin is going to go.

So why I gave it three stars.....the story felt rushed, some of the scenes felt unrealistic to me, and Gavin just

didn't click for me as a biker dude.

SPOILER

ALERT.....
.....
.....
.....

So just so you know the below sentences are spoilers I have given you a warning so do not read any further if you want to be spoiler free.

The issues I had.

1. The story feeling rushed. We meet Rebecca we learn of her assignment she meets with Gavin and not even a full day later she is sleeping with him. He uses a condom with a side chick but not with Rebecca. When she gets hurt she is always rushing into another assignment.
2. There is hardly any dialogue between Gavin and Rebecca no getting to know each other it is always " I love you." "I love you darlin." What ever happened to getting to know one another I understand keeping some things quiet as one is in law enforcement and the other is into illegal activities.
3. Who was the pledge who was one of the people behind the sex trafficking? I felt he was just a character pulled out of somewhere and then never mentioned again.
4. When you lose six months of your life how is the news just going to report it when you magically turn on the tv.
5. When you lose six months of your life how do you go back to work after being out of the hospital so quickly without a time frame?
6. During this time where in the hell was Gavin at? Did you not wonder where he was?
7. Why did Agent Mia have to see a shrink but Rebecca didn't? I would have thought Rebecca would have had to see someone to help her get through everything she has been going through.
8. How close is Rebecca to the other ladies in the club? The reason I ask is it seems she knows one of them well enough that they can just text her with good news like Rebecca didn't seem to have any type of relationship with them or so I thought.
