visit with artist

By bill fischer/dancing bear

the book details his exquisite screen designs with clarity and effectiveness

in addition, there is some, though never could be ample, coverage of his free-standing sculpture

i had the great honor of a leisurely visit to his studio with a small group which enlightened me about both the artist and his work

i hope my dream of purchasing some of his work will come true

many friends have seen and admired this volume and many more will be enriched by knowing about him and his work
