This Invitation To Psychology (6th Edition) By Carole Wade, Carol Tavis, as one of the very best vendors below will certainly be one of the right choices to read.

About the Author

CAROLE WADE earned her Ph.D. in cognitive psychology at Stanford University. She began her academic career at the University of New Mexico, where she taught courses in psycholinguistics and developed the first course at the university on the psychology of gender. She was professor of psychology for ten years at San Diego Mesa College, then taught at College of Marin and Dominican University of California. In addition to this text, she and Carol Tavis have written *Psychology; Psychology in Perspective; and The Longest War: Sex Differences in Perspective*. Dr. Wade has a long-standing interest in making psychology accessible to students and the general public. In particular, she has focused her efforts on the teaching and promotion of critical-thinking skills, diversity issues, and the enhancement of undergraduate education in psychology. She chaired the APA Board of Educational Affairs' Task Force on Diversity Issues at the Precollege and Undergraduate Levels of Education in Psychology, as well as the APA's Public Information Committee; has been a G. Stanley Hall lecturer at the APA convention; and served on the steering committee for the National Institute on the Teaching of Psychology. Dr. Wade is a Fellow of the American Psychological Association and of the Association for Psychological Science. When she isn't busy with her professional activities, she can be found riding the trails of northern California on her Morgan horse, McGregor, or one of his Arabian stable mates, Condé or Ricochet.

Carol Tavis earned her Ph.D. in the interdisciplinary program in social psychology at the University of Michigan, and as a writer and lecturer she has sought to educate the public about the importance of critical and scientific thinking in psychology. In addition to this text, she and Carole Wade have written *Psychology; Psychology in Perspective; and The Longest War: Sex Differences in Perspective*. Dr. Tavis is also coauthor, with Elliot Aronson, of *Mistakes Were Made (But Not by Me): Why We Justify Foolish Beliefs, Bad Decisions, and Hurtful Acts*; and author of *The Mismeasure of Woman and Anger: The Misunderstood Emotion*. She has written on psychological topics for a wide variety of magazines, journals, edited books, and newspapers, some of which have been collected in *Psychobabble* and *Biobunk: Using psychological science to think critically about popular psychology*. Dr. Tavis lectures widely on topics involving science vs. pseudoscience in psychology and psychiatry, on writing about science for the public, and many other subjects of contemporary interest. She has taught in the psychology department at UCLA and at the Human

Relations Center of the New School for Social Research in New York. She is a Fellow of the American Psychological Association and a charter Fellow of the Association for Psychological Science; a member of the editorial board of the APS journal *Psychological Science in the Public Interest*; and a member of the international advisory board of the Institute for Science and Human Values. earned her Ph.D. in cognitive psychology at Stanford University. INVITATION TO PSYCHOLOGY (6TH EDITION) BY CAROLE WADE, CAROL TAVRIS PDF

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

Emphasizes critical thinking, culture, and gender

Invitation to Psychology, 6/e, shows students why scientific and critical thinking is so important in the decisions they make. In clear, lively, warm prose, this edition continues the title's integration of gender, culture, and ethnicity. By the end, readers will learn how to interpret research and to address and resolve controversies.

MyPsychLab is an integral part of the Wade/Tavris/Garry program. Engaging activities and assessments provide a teaching and learning system that helps students think like a psychologist. With MyPsychLab, students can develop critical thinking skills through writing, simulate classic experiments and surveys, watch videos on research and applications, and explore the Visual Brain in 3-D.

This title is available in a variety of formats – digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more.
