Excellent thought piece.

By Freda A Coyner

C.S. Lewis wrote Mere Christianity and it is a well-thought out and well-used logical approach to Christian faith. J.B. Phillips New Testament Christianity takes a serious look at what this ought to look like as our lives are lived out. I highly recommend this book to anyone serious about wanting to walk in Jesus' footsteps and make a difference in our culture.

Get an Angel's point of view!

By Conciencious consumer #1

Phillips has several illustrations of God's love and grace. One lovely bit is a viewpoint of Christ's entrance to his creation from an Angels point of view.

Worth the paltry few bucks for a book by one as good as and a friend of C.S. Lewis
