I believe life is an adventure. This book is the story of our large family, its heredity, its energy, and its unbelievable quality of love, in the good times and in the rough times. I believe that this is all possible because I was lucky enough to find the “true love” of my life, and thanks to our amazing Creator, we have life abundant and full. We are blessed in all parts of our lives: the joys and the sorrows, the happy and the sad, our children and our friends, and in all those who have and who will cross our path. Hopefully, this story gives courage to those who live in fear, and hope to those who have lost their dream along the way.
