As captain of an Irish mafia crew, Shane has everything he wants. Money, women, and power. He can have anything, except the one woman with whom he's obsessed. Mia Kasilli, daughter of a Russian kingpin, wants nothing to do with that lifestyle. When he can no longer be without her, he orchestrates a series of actions that leave her father in his debt and Mia in his power. He's dark and dangerous, the embodiment of everything she doesn't want in a man, so why does she crave him so much? She'll fight him every step of the way, but how will she fight herself?

This is a full-length novel (75,000 words) without cliffhangers. It includes a bonus short story at the end.

This story contains situations some readers might find objectionable. If a hot mafia man driven to any lengths to possess the woman he wants isn't your thing, you probably wouldn't enjoy this book. However, if you like a dark, Alpha, possessive man with a tender core deep down, who will do anything for the woman he loves, including kidnapping, going to war with rival mafia, protecting her from her enemies, and fighting through her resistance to change her perceptions, get ready to meet "Shane."

Dark disturbing and difficult to read at times but I couldn't put it down.

By Deborah

This was a difficult book to read and therefore a difficult book to review.

I knew before starting it was dark and disturbing, the disclaimer at the end of the blurb states it contains violence, rough sex and sexual situations some readers might find objectionable.

Shane is a captain in the Irish mob and he's totally obsessed with Mia the problem is she's the daughter of Kasilli, a Russian kingpin so he can't just take her. For months he plans and schemes until he has Kasilli in a position where he has to hand Mia over to cover the debt he owes Shane.

Mia doesn't turn up and Shane eventually kidnaps her and while she can't deny how attractive she finds him he's still kidnapped and raped her but surprisingly he's still better than the alternative and Mia does the unthinkable she starts to fall in love with her abductor, and this is one of the difficult parts, there's no arguing what Shane does is wrong he's a complete bast\*\*d he kidnaps and rapes her and I can't excuse that or justify it in any way but despite this we know he cares, we see what he sacrifices for her and we see how he reacts when he discovers her past.

This is a dark read, on top of the kidnapping and rape there's abuse and torture but still there's something here, I'm a romantic at heart and I search for it in every book I read and this was no different and despite how they started and everything he did to her and put her through I still really, really wanted them to end up

happy and together.

My advice is take note of the warnings they're there for a reason this is not a soft gentle romance it's difficult, emotional and dark and at times you'll feel like someone's punched you in the stomach, or at least that's how I felt.

Rating this is difficult as well, parts of it I hated yet parts of it I loved but ultimately it held me from beginning to end so for that reason I'm giving 4 stars.

LOVE STORY?????

By SS

This is without a doubt the WORST book I have ever read this girl was raped repeatedly beaten and tortured I understand it's dark erotica but this book would be for sadist only I was so disgusted to sum it up she fell in love with the man who abused her the least but make no mistake he is still a absolute animal. Also I was reading some of the other reviews and how Shane took her virginity was not "rough" it was rape and he continued to rape her through out the first half of the book again not a love story it was a story about a severely abused woman.

Dark romance

By Beth Crader

Shane is in love with Mia who is the daughter of the head of the Italian mob. Shane is in the Irish mob. Basically he gets her and she falls in love with him. In between are kidnapping, drug running, illegal guns, prostitution (all typical mob activities). There's a father who sells his only daughter to settle a debt...a rapist, pedophile step brother, more violence than in Chicago on a busy day. But, there's love of a brother for his sister....love of a friend for said sister and the love between a man who is in the criminal world and a beautiful young woman. There are multiple acts of desperation, revenge, and anger but these two survive because of the love.
