Great!

By Julie Farresta

Excellent designs...I thought it would have more fish and ocean patterns. There are great flowers and birds as well. The designs have lots of pieces, but can be simplified.

For Water Lovers!

By JuJu O'Brien

Drawing the patterns for this CD was out of pure love for water in all forms...especially the ocean! Many patterns came from photos of myself and my husband when we lived in the Florida Keys and now as we dive and snorkel many other places. Like Hawaii!
