This is an amazing book. I'm going to teach a confirmation class next year and this has so many worksheets (2 on confirmation, one of God's Attributes, one on Whom Do You Follow, one on the Holy Spirit, one on We Are the Body of Christ, one on Communion, one of gifts, one on the bible, one on listening to God Speaking, one on Sanctification, one on Your Life's Purpose, one on Stewardship, and one on Prayer) that I plan to incorporate into my class. I have some of the other books in this series but I really LOVE this one. Great approach.

Big Help

By Scott Richards

Not all of us pastors are really cut out for Junior High youth. This product helps a lot with those of us who are junior high challenged but still need to do ministry in that area. They give both direction and focus and are great for doing small group discussion after the teaching.
