**TEVYE THE DAIRYMAN LIVES NOW AND FOREVER!!!!**

By Anthony Scheinman

When you mention the name "Tevye", the automatic response is **FIDDLER ON THE ROOF**, right? However, amazing to say, not many people realize that the character of Anatevka's beloved milkman and self-proclaimed philosopher/expounder of the Good Book was created by Sholem Aleichem in a series of stories that formed the basis for the immortal musical. Not only are those stories available now in a new English translation by Hillel Halkin, but they're read by Theodore Bikel who played "Tevye" on Broadway and who ranks vocally in that role alongside Zero Mostel, Herschel Bernardi and Topol! While singing plays no part in this recording, Mr. Bikel brings both life and emotion to Mr. Aleichem's stories and characters as he literally becomes "Tevye" and tells the stories of Tevye and his family in good times and bad times (and of course the bad times outnumber the good!). I'm delighted that two stories that aren't covered in **FIDDLER ON THE ROOF** are included in this recording ("Tevye Strikes It Rich" and "Tevye Blows A Small Fortune"), and Mr. Bikel wins the heart of the listener as he tells the stories "Today's Children" (the story of the eldest daughter Tzeitl and the poor tailor Motel), "Hodl", "Chava" and "Lekh-Lekho" (literally "Get Thee Out", the story of Tevye's leaving Anatevka), this last story being even more moving because not only does the reader/listener learn that Golde (Tevye's wife) and Motel (his son-in-law) have died but the story ends on an ambiguous note concerning Chava where the reader/listener must decide the outcome for him/herself.

In short, for any lover of **FIDDLER ON THE ROOF** or Old Country folklore or even if you've never heard of either **FIDDLER ON THE ROOF** or the Tevye stories, this recording is a must for any library and Mr. Bikel is absolutely wonderful as our narrator/storyteller! (It makes one wonder how Zero Mostel would have handled such a recording!) Sholem Aleichem would be proud.
