THE 7 MINDSETS TO LIVE YOUR ULTIMATE LIFE BY SCOTT SHICKLER, JEFF WALLER PDF

If everyone wants to live a happy and successful life, why do so few achieve it? This simple question launched a multi-year, multi-million dollar research project searching for the commonalities of happy and successful people. After thousands of hours of research, 400 interviews, and the deconstruction of over 100 books, the results are astounding. So what do happy and successful people have in common? Well, it's not whether they grew up in a loving home or a broken home, or whether they were rich or poor. It doesn't have anything to do with how far they went in school or even their skill sets. Simply put, what they have in common is how they think, and in particular, what we call The 7 Mindsets. The most surprising discovery was that the vast majority of people are not living these 7 Mindsets, but in actuality, are thinking and acting in direct opposition to them.

This book provides an unexpected blueprint to living an extraordinary life. The findings are revolutionary and will impact countless lives. If you want to live your ultimate life and help ensure that future generations do as well, then this book is a must listen! /p>

A Must Read!

By A Tate

I haven't even finish the book and I want to read it again. Scott and Jeff did a magnificent job putting together a book that anyone could pick up, read, and enjoy. It's written well for both adults and youth to enjoy. Great job!

Transformational Book for People of All Ages!

By Stephanie Johnston

Having been involved with the 7 Mindsets as a student, a volunteer and now an employee; I have seen first-hand the powerful impact they have on youth and adults alike! The 7 Mindsets are packaged in a way that are easy for individuals to understand and implement, immediately catalyzing transformation in their lives. As this transformation begins, readers are given the unique opportunity to maintain their positive mindsets through daily quotes and weekly stories from the authors themselves. Take a moment to read this book and you too will find yourself reading the entire book in one evening, and find yourself sharing the mindsets with those around you the next!

Don't Miss Out!!!

By James

This is truly a must have for any person both young and old who deeply believes that there is something bigger and better they can do to impact the world. Scott and Jeff have put together a handbook that's detailed, extremely interesting to read and easy to apply. The 7 Mindsets have been a great compass for my life. Live to Give and Time is now are my best mindsets
