which I was happy to see

By Carol McFarland

This is my new official headcanon of how I imagine the myth of Daphne. It just makes so much sense! As for the writing itself, I quickly found myself immersed in Daphne and Leucippos's world. There wasn't a lot of extraneous words, but just enough to draw me in. Because this was a short story, this allowed for more character development, which I was happy to see. This author will definitely be on my radar.
