ATK--My "Go To" Line of Cookbooks!

By Ronda

Another keeper! I LOVE the New England Bar Pizza!! I also really like the Sicilian Pizza (sauce). I am working my way through this cookbook. I'm going to make the Raspberry Charlotte tomorrow for my niece's birthday. These recipes are usually a little more time-consuming than some others, but usually totally worth it if you have the time. I have a fairly stocked up pantry, so I normally have the ingredients on hand, but sometimes I have to make a shopping list. I have never had a recipe "fail" from this source. Sometimes it wasn't something I loved, but that was just a matter of taste. Since I work full-time, I would like to see another "quickie" recipe book. I really love any of the cookbooks ATK puts out. They have made my inner "Mrs. Patmore" come to life. I love just browsing through these cookbooks at night and my late aunt, who

also loved to cook, did the same thing--she just loved this line of cookbooks. Anyhow, good job and thanks ATK!
