Don't be fooled.

Amazon suggests this as being by Douglas Adams, Hitchhiker's guide... It isn't. So caveat emptor.

The Perfectly Satisfied Person of Either Sex's Guide to Buy This Book

By James M. Spitalere

This is a drum-tight, thoughtful, hilarious book. Despite the title, this book is perfect for men who are not at all bitter, for women, etc. It is not perfect for those who hate joy and happiness. You, who are reading this, should purchase it. And then purchase a copy as a gift for all of your friends. And then purchase several more reserve copies in case you make new friends in the future.

Meh.

By Naomi

Cute but rather pointless. More of a blog post than a book. I'm sorry I wasted my Prime book allowance on it. Takes about 30 minutes to read. Again, cute. Clever. But not a book.
