THE LYRICS OF LEONARD COHEN BY LEONARD COHEN PDF

When his first album made him an unlikely star in the late 1960s, Leonard Cohen was hailed as the new poet of song. His melodies were hauntingly melodic but his lyrics were like no one else's - poignant, romantic, mystical and darkly comic. Already a poet and a novelist, Cohen had found another calling in song..."The Songs of Leonard Cohen", "Songs from a Room" and "Songs of Love and Hate" were the titles of his first three albums. Eight more would follow over the next 40 years. In this collector's edition, can be found the lyrics to over 100 of those classic songs, many of them now recorded by new generations of singers that include U2, Nick Cave, Rufus Wainwright and Teddy Thompson. This unique collection demonstrates why.

There ought to be more books like this.

By Peter S. Bradley

I am a fairly casual fan of Leonard Cohen. I grew up with "Suzanne" and I love "Hallelujah." I also have an interest in the back-story of songs, where they come from, what they are supposed to mean, etc.

This book scratches a lot of those itches. It contains the lyrics for about 50 to 60 of Cohen's songs, and a short paragraph after the lyrics offers some background to the song, including a bit of Cohen's biography and who covered the song and/or what Cohen album the song can be found on.

This book offers a new dimension for appreciating Cohen's lyrics.

The bold yet enigmatic words of Leonard Cohen have fascinated ...

By Terry Crane

The bold yet enigmatic words of Leonard Cohen have fascinated us for many years. At times he is completely puzzling and others almost very frank. His topics are wide ranging, sometimes containing conflicting ideas. Yet he is always interesting and the number of people writing varied interpretations of his works speaks for the numbers of people he reaches. Interpreters will write explanations of his poems/songs in self-assured ways and yet vary widely among themselves as to just what the meaning and purpose is of the same Cohen offering.

He is a treasure.

Phenomenal resource for LC's lyrics

By M. Buczkowski

This not only has all the lyrics of all his songs up to "Old Ideas", but it is full of interesting footnotes about each song.
