Deep and Practical

By James Brent, O.P.

How can I come to know and to live in the presence of God?

The Irish Dominican Father Anselm Moynihan, O.P. wrote this short but compelling book to answer the question.

In his spiritual classic, *The Presence of God*, Fr. Moynihan presents the profound teaching of St. Thomas Aquinas on the various ways in which God is present and active in our world and in our lives. God is present to the whole world as the loving Creator of all. God sees all, God rules all, God holds all creatures in being at all times. Love is in control of the universe. But in the souls of those who live in God's grace, God is present in a special and still more profound way. In the inner depths of the faithful soul, God is present as Someone, an indwelling Guest, a loving Friend. God is within, and he is available for knowing and loving. To have the Holy Trinity dwelling within one's very soul is at the heart of what it means to live in God's sanctifying grace. A baptized person is, in a way, like a Tabernacle.

After the Second World War, Fr. Moynihan wrote this book because he had become convinced that people around us are losing the awareness of how present and active God is. The short book quickly became popular because the author both explains deep theological mysteries in simple terms and offers practical steps on how to live and grow in a daily awareness of the Holy Trinity dwelling within one's soul. The book teaches how turning toward God within our hearts, making acts of faith in the Indwelling One, and welcoming his inward action allows one to be present to the Trinity who is present to us who believe. By learning to carry out such easy and practical steps frequently one learns to abide in the presence of God continually.

Strongly recommended to all who wish to grow in the awareness of the Presence of God...

Spot on!

By Paul Sansone

This is a wonderful little book, and proof that much can be said with very few words. Fr. Moynihan's writings seem to have been inspired by the Holy Spirit, and much of what he discusses is as pertinent today as it was when he originally penned this beautiful work.

5 of 5 people found the following review helpful.

Worth the Read!

By Amazon Customer

A well written book, that all Christians should read.

The distributor did a quick and good job in getting it to me as well!
