THE SCALE OR LADDER OF PERFECTION (ILLUSTRATED)

BY WALTER HILTON PDF

— A Classic — Includes Active Table of Contents — Includes Religious Illustrations

OF all the old English ascetical works which were extant before the Reformation none have maintained their reputation longer than Walter Hilton's "Scale of Perfection." Hilton was a canon of Thurgarton in Nottinghamshire, and died in 1395. His "Scale of Perfection" is found in no less than five MSS. in the British Museum alone. Wynkyn de Worde printed it at least three times—in the years 1494, 1519 and 1525. Many other editions were printed at the same period.

Wesley's Plain Account of Christian Perfection is a still newer treatment of what it means to love God with all your heart

By David W. McIlvaine

This is my 4th reading of this devotional classic. This translation is slightly more modern than my printed version but still a bit more readable, even if it uses a lot of Elizabethan language. It covers a lot of the same ground as Teresa of Avila, DeSales, and DeCausade. Firmly rooted in the Catholic tradition, nevertheless it can be read, with profit, by those familiar with Wesleyan Holiness thought. Wesley's Plain Account of Christian Perfection is a still newer treatment of what it means to love God with all your heart, soul, and mind. If that is your desire, this book can help you understand the ramifications for your life. Read it.
