UNDERSTANDING AND NEGOTIATING TURNKEY AND EPC CONTRACTS BY JOSEPH A. HUSE PDF

This work is a practical commentary on the FIDIC and EPC turnkey contracts widely used in the international construction industry. It provides clause-by-clause analysis of these contracts, accompanied by practical guidance on their application in specific projects. It also reproduces the contracts in full as an appendix. * Detailed, clause-by-clause approach makes it a highly practical working tool * Invaluable for international projects where the use of FIDIC standard contracts is increasing all the time

3 of 3 people found the following review helpful.

Understanding and Negotiating Turnkey and EPC Contracts

By Thaer A. Najdawi

It is a very interesting practical guide to Turnkey construction contracts in addition to defining other look-alike contracts. I believe it is a valuable addition to any lawyer and contract manager library, in fact it was of a great assistance in a recent arbitration I had trailed. I highly recommend it, it is a better version than the previous one by the same author.
