Laura Story's walk through the scriptures is a blessing

By aggiewriter70

Laura Story's story is one that most girls dream of - marry the star athlete, being a Grammy-award winning singer, songwriter and go on tour and see the world.

But Story doesn't see her 'story' as anything but ordinary made into extra-ordinary thanks to God, and she reflects on this briefly and humbly in her new book, "What if your BLESSINGS come through Raindrops". It is a devotional guide that reads like a journal filled with Story's intimate digging into the scriptures and sharing of special verses and quotes filled with hope, encouragement and blessings.

Formatted to be a month-long guide, with spaces for the reader to write her or his thoughts, Story's devotional guide is more than just a mere inspiring, motivational book that can make a reader feel good. "Blessings," the devotional book, gives the reader a boost up the ladder in his or her seeking to have a more intimate and more purposeful relationship with God, and Story peppers the pages with realistic, thought-

provoking, 'Ah, I get it and now I can apply it' lessons.

She told me on the phone, as I am the editor of an online newspaper, [...], that she was just a "girl walking through the scriptures" when she wrote the book.

As you read it, you will feel like you are walking with her, sharing and learning together.

It will be a walk you won't regret taking.

Encouraging Devotional

By Jenilee Goodwin

My Thoughts:

I love Laura Story's song called "What If Your Blessings Come Through Raindrops". There is so much truth and strong faith woven throughout the words. Every time I hear it, my heart is blessed.

Put that into a book, where Laura shares parts of her own journey with pain, suffering and tears, and you have an incredible encouraging devotional.

Every chapter is simply written in a way that makes you think and inspires your heart to look at life in a different light.

I loved the verses, the thoughts and the prayers that Laura shares for each chapter.

If you are going through any difficulty, change, struggle or trial in your life right now, this book is sure to be a blessing to you.

Remembering that God is working good through all life situations, we can trust that He is in control and we can trust His hand.

Blessings and Raindrops

By NYbooklover

What If Blessings Come Through Raindrops by Laura Story would make a great book for someone going through a hard time or just to understand their faith better. It has thirty daily devotions. They include discussion and scripture on different topics, sayings from different people, a section called "summing things up", and at the end of each topic "your own thoughts" which can be like a journal. Some of the topics it includes are "When we lose the sense of His nearness", "When we don't understand", and "Finding peace amid the thorns".

The book is based on the song, "What if Blessings Come Through Raindrops". It contains the words of the song. When my husband first introduced me to this song it touched me to the point of tears so when I saw this book I knew I had to read it.

The author has experienced her own amount of suffering when she found out her husband was diagnosed with a brain tumor. The author says, "There is a depth of intimacy with God that can only be known through suffering".

I hope you decide to read this book and receive the blessings from it. I know I have felt blessed by reading

the book.
