## ZOYA BY DANIELLE STEEL PDF

One woman's odyssey through a century of turmoil ...St Petersburg: one famous night of violence in the October Revolution ends the lavish life of the Romanov court forever - shattering the dreams of young Countess Zoya Ossupov. Paris: under the shadow of the Great War, emigres struggle for survival as taxi drivers, seamstresses and ballet dancers. Zoya flees there in poverty - and leaves in glory. America: a glittering world of flappers, fast cars and furs in the Roaring Twenties; a world of comfort and cafe society that would come crashing down without warning. Zoya, living through it all, faces challenges and triumphs with an indomitable spirit. In Zoya, Danielle Steel has created a true heroine through masterful storytelling.

Zoya

By MONICA

El comienzo de la historia es lento incluso aburrido.varias veces pensé en no seguir leyendo al final agradezco no haberlo hecho.es una historia de pérdidas muchas tristezas .pero también de superación ,sacrificio y amor.en fin me gustó el libro en general.zoya supo vivir la vida lo mejor que pudo y sacar lo mejor de esta.la recomiendo

A Long-Ago read for me and I just re-read it...

By C.K.Designer

So worth the read! I read this in the 1970's but looked it up and found it after reading "The Secret Wife." Russian history is totally fascinating and I was so thrilled that this book stood the stand of time. I hadn't read Danielle Steel's current books but this one is beautiful and I would highly recommend it.

Meh.

By V. Shridhar

This book is like raisin bread- nice when the raisin's around, boring the rest of the time.

There are some funny moments, but the rest of it is so-so.

Tell me, what does this heroine look like again? All I recall are her thundering... no, not thighs,.. cheeks! Okay, so she has fat, hanging cheeks. What else? What, other than her cheeks, does anybody find appealing in her? She's immature, insecure, obstinate, jumps to conclusions, has big hang-ups about where she lives, how she talks, her origins, her looks, her clothes... it's like reading about a teenager.

So yeah.. if she'd been 17, it would have been like *The Princess Diaries* or any of those teenage novels. However, since she's a decade older, she vacillates between being annoying or childish.

About the rest of the book: premise is good; many of the descriptions of cricket-mania are spot on; many of the secondary characters are well-developed.

Pity about the heroine.
